

PE and Sport Premium for Primary Schools

We are required to report how much PE and Sport Premium Funding we receive each year and how we use the money.

For the 2017 to 2018 academic year, there is a new condition requiring schools to publish how many pupils within their year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

This condition has been added in response to recommendations from the Swim Group, who reviewed curriculum swimming and water safety in primary schools.

Percentage of Marfleet Primary 2017/18 Year 6 students that are meeting national curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	15 out of 18 pupils (82%)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	15 out of 18 pupils (82%)
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	15 out of 18 pupils (82%)
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
