

**Year 4: Summer 1 Kings and Queens - Tudors**

Previous learning: Pupils will build on their understanding of the world by exploring the driest places on earth. In their previous unit pupils explored oceans. Pupils will also draw upon their world knowledge of continents and deepen their knowledge by exploring countries within these continents. Pupils will explore the impact of climate (biomes) on the environment and on living things. This will build on the impact humans have on the oceans. Pupils will learn about the impact the physical environment has on humans.

**Sticky Knowledge**

1. Henry VIII was the King of England.
2. Henry wanted a son so that a male heir inherited the throne.
3. Henry VIII had 6 wives. They were divorced, beheaded, died, divorced, beheaded and survived.
4. King Henry VIII wanted to divorce his wife because she did not produce a male heir for him, but the Catholic Church would not let him.
5. He decided to split from the Roman Catholics and create his own church called the Church of England.

**Disciplinary knowledge**

1. Use more complex historical terms to explain and present historical information.
2. Identify bias in primary and secondary sources. Interpret a primary source and understand how the context in which it was written influences the writer's viewpoint.
3. Explain in detail the multiple causes and effects of significant events.
4. Construct a profile of a significant leader using a range of historical sources.
5. Answer and ask historically valid questions about changes over time and suggest or plan ways to answer them.
6. Describe a series of significant events, linked by a common theme, that show changes over time in Britain.
7. Sequence significant dates about events within a historical time period

Week 1

Tudor banquet

**To say who the Tudor's were.**

**To describe who the Tudors were, relating them to British and world history.**
